READY TO START YOUR SKILLED TRADES BUSINESS?

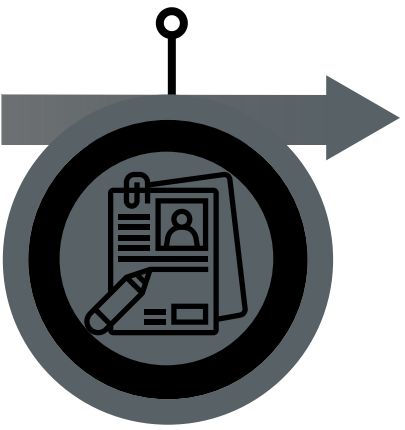

### STEP 1: DETERMINE IF YOU QUALIFY

Check eligibility requirements on our website

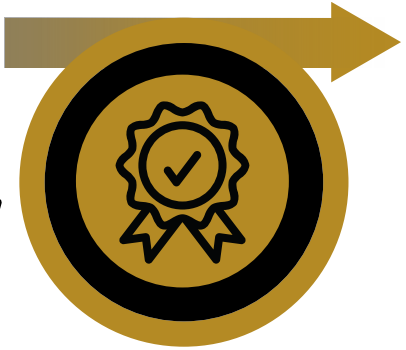

### STEP 2: APPLICATION PROCESS

- Submit an application
- Video assignment
- Complete assessment

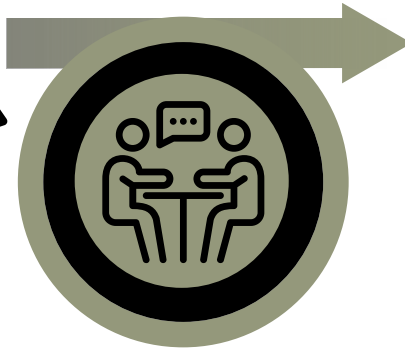

### STEP 3: CANDIDATE SELECTION AND TRAINING

Candidate selection and enrollment into online training for Skilled Trades entrepreneurship

### STEP 4: LAUNCH YOUR BUSINESS

Mentors will help provide guidance, motivation, support, and be a role model to help future Black skilled trades workers overcome barriers and succeed in the skilled trades businesses

### STEP 5: GRADUATION

Graduate from the program and the first 500 receive a microcredential. A micro-credential is a digitally-recorded recognition of a small, specific skill. It represents evidence of your skills for employers, educators, and peers. Micro-credentials are created with industry, so you can be assured that the skills you are learning are in demand and current.
